Notes:

- FY15 numbers have not been finalized
- There are no targets for VETERAN-OWNED SB.
- Threshold Targets are what the sites believe they can achieve and Objective Targets are the targets the sites need to achieve so NAVAIR can meet their Targets. Colors are based on the Objective Targets.

Identify Potential Contract Opportunities using ezSearch Tool on the FPDS-NG Website June 11, 2015
ezSearch is a search function on the Federal Procurement Data System - Next Generation (FPDS-NG) that provides the ability to search for contracts based on free text. All contracts searched are in Final status. Any DoD contract(s) that are less than 90 days old will not be included in the search. You do not need to register in order to use ezSearch. Click [here](#) for detailed instruction on how to use the tool.

ENGINEERING STRESS ANALYSIS AND DESIGN SERVICES September 21, 2015
The Naval Air Systems Command (NAWCWD), China Lake, CA. is conducting a market survey to determine the interest and capability of Industry to participate in a competitive acquisition for on and off-site Contractor engineering stress analysis and design services for Fleet Readiness Centers (FRC). Principle Deputy Program Managers

- Per the 12 Jan 2015 ASN RDA memo "Tapping into Small Business in a Big Way", NAVAIR has published a telephone directory for the Principle Deputy Program Managers.
- Found at: www.navair.navy.mil/osbp
- Column M of the LRAF will identify the Associated Program. If there is no information in Column M, you can determine the associated program based on the description. The NAVAIR OSBP Deputies at each site are always available to help if needed.

Principal Deputy Program Managers (PDPMs) by PEO/AIR-1.0 Telephone Directory September 8, 2015

Per the 12 Jan 2015 ASN RDA memo "Tapping Into Small Business in a Big Way", The Deputy Program Manager has been formally assigned as the Small Business Advocate responsible for identifying opportunities within the program for Small Business participation. Per Mr. Stackley, the DPM will serve as the technical POC for small business interested in pursuing these opportunities. A list of NAVAIR points of contact by PEO and PMA is available at http://www.navair.navy.mil/osbp/index.cfm?fuseaction=home.post_detail&post_id=365>/a>.
