

Kathleen Donnelly

In 2020, Ms. Kathleen P. Donnelly was reassigned as the Executive Director for NAWCAD Lakehurst (LKE), Support Equipment (SE) and Aircraft Launch and Recovery Equipment (ALRE) Group. She is responsible for executing NAWCAD LKE mission functions for all aspects of SE and ALRE including management of the labs and facilities providing capability development and sustainment to the fleet. She manages more than 1,800 NAWCAD LKE civilian and military personnel, is responsible for a contracting operation with unlimited contractual authority that obligates in excess \$2B annually and executes budgets exceeding \$1B. Ms. Donnelly served as the SE and ALRE Engineering Department Head from 2008 until 2019. She has more than 38 years in civil service and entered the Senior Executive Service in March 2008.
