Small Business Roundtable

(LKE-SBR)

The Lakehurst Small Business Roundtable (LKE-SBR) is a forum for Government and industry to collaborate in order to:

- Enhance small business participation in Naval Aviation contracts
- Address small business issues and concerns.

LKE-SBR is an organization of Small Businesses working in collaboration with the NAWCAD, Lakehurst Office of Small Business Programs (OSBP) in support of Naval Aviation programs, policies, plans, and other matters pertinent to NAVAIR's responsibilities and commitment to Small Businesses.

LKE-SBR draws on the expertise of its members, the Government and industry experts to address small business concerns and to provide training and advice as it seeks to strengthen and expand the small business base supporting Naval Aviation.

LKE-SBR is a self-governed organization of independent Small Business companies - not a Government-run organization.

LKE-SBR is not a marketing event/group, but rather an open forum designed to foster a stronger Small Business support community.

Benefits of LKE-SBR

Better Communication leads to better understanding of each others' requirements and limitations.

Better Understanding leads to working issues out before they become a problem for both Government and Industry.
