

ANTOINETTE M. MUSORRAFITI

Chairman, Chief Executive Officer and President
EPS CORPORATION – 100% WOMEN OWNED SMALL BUSINESS

Ms. Musorrafiti is the remaining founder and sole owner of EPS Corporation. She is responsible for the growth, sustainment, operations and financial management of the corporation, having frequent interaction with the operating divisions and working closely with her Strategic Executive Team. Her contract responsibilities include ensuring proper negotiations are conducted when contracts are awarded, making certain that performance against contracts is fulfilled in a contractual aspect, and reviewing monthly contract summaries to ensure EPS is performing within budget guidelines. She reviews major cost proposals and attends proposal management meetings on a weekly basis and is in daily communications with her business development lead, making visits to key current customers and prospective customers. Ms. Musorrafiti also reviews all new policies prior to their implementation and is key in the management of the growth of the information technology department as acting Chief Information Officer. She leads under the strong belief of **“ONE Company, ONE Team, ONE Goal, constantly exceeding the expectations of our customers.”**

Ms. Musorrafiti has recently been asked to join the Board of Trustees of Monmouth University and has graciously accepted the position. She currently holds a position on the Marjorie K. Unterberg School of Nursing and Health Studies Advisory Council.
