Will Mumma is CEO and co-owner of Harry Kahn Associates, Inc. (HKA), a technical data company specializing in the development of DoD Mil-Spec data including Product Support Analysis/Logistics Product Data, Technical Manuals and Training Materials.

Will has a degree in History from the University of Maryland. After graduation he worked in retail, manufacturing/sales and radio broadcast until being hired by HKA in 1983 as an administrative assistant.

Since joining HKA Will has worked primarily in management, contracts and business development. He and his business partner, Phil Perry, purchased the company in 1989.

Will was a founder of the Lakehurst Small Business Roundtable (LKE-SBR) and the first Co-Chair from 2014 – 2016.

With over 35 years of experience as a small business defense contractor Will has gained a comprehensive first hand working knowledge of the advantages and challenges facing small business government contractors, and continues to utilize that knowledge as a member of the LKE-SBR Executive Steering Committee.
