

**Anthony Grimaldi**

Business Development Specialist  
GSA, Region 2

[anthony.grimaldi@gsa.gov](mailto:anthony.grimaldi@gsa.gov)

Anthony Grimaldi has had an over 27-year career in the Federal Government serving in various roles at the General Services Administration (GSA) . His work in federal leasing, global supply management and program support has provided him with a well diversified background that has played a key role in supporting mission critical needs of many Federal agencies. Throughout his career he has shown a true dedication to providing innovative solutions and integral mission support to the Federal customers he serves.

In his current role as a Business Development Specialist for GSA Region2, Anthony provides a fresh perspective in the areas of new business development and lead generation, vendor and customer relations and strategic vendor training targeting new and existing vendors in the areas of marketing, compliance and maintenance.
