

Sowmya Hariharan
President & CEO
OM Group Inc

Sowmya Hariharan, President & CEO of OM Group Inc. has led the IT service provider over the last 8 years. Prior to taking over as the President, Sowmya was the Vice-President of the firm for over 10 years. Since taking over in July 2013, she successfully managed OM Group's transition from commercial markets to the federal space. Under Sowmya's leadership OM Group now serves US DoD agencies by delivering a full spectrum of Information Technology services including Enterprise IT strategy, Cloud Migration, Web and Mobile Services, Custom Application Development and program support for environmental services. Today OM Group has close to 100 employees in New Jersey, Virginia, Illinois, Texas, Pennsylvania, Alabama, Michigan and Colorado.

Married for 28 years, Sowmya lives in Edison, NJ. She has 3 children; two sons aged 24 and 23, and a daughter who is 18. In her 'spare' time, Sowmya enjoys crafting and painting. She is also an avid reader and loves to travel.
