

## **Jeannie Whitfield**

Vice President of Market Insight and Business Intelligence  
Parts Life, Inc., Deval Lifecycle Support, and LC  
Engineers

Jeannie Whitfield is the Vice President of Market Insight and Business Intelligence for three leading organizations in the defense industry: Parts Life, Inc., Deval Lifecycle Support, and LC Engineers. Jeannie holds over 11 years of diverse executive experience. Once a business development specialist, Jeannie quickly climbed the corporate ladder and has been instrumental in the success of all three organizations. In her current role, Jeannie uses her firsthand knowledge of the industry to identify growth opportunities for Parts Life, Inc., Deval Lifecycle Support, and LC Engineers. Jeannie has utilized her coach-style leadership to empower and develop employees within the workplace. Jeannie holds a bachelor's degree from Temple University in addition to an MBA from Louisiana State University. Jeannie also serves on the Lakehurst Small Business Executive Steering Committee, the Women in Defense Liberty Chapter Board, and is involved in the Norristown, PA school district.
