

**Sowmya Hariharan**  
President & CEO  
OM Group Inc.

Sowmya Hariharan has led the IT service provider over the last 8 years. A Vice-President of the firm for over 10 years, Sowmya took over the reins in July 2013, and successfully managed its transition from commercial markets to the federal space.

OM Group Inc. offers the full spectrum of Information Technology services including Enterprise IT strategy, Cloud Migration, Web and Mobile Services, Custom Application Development and program support for environmental services with employees in New Jersey, Virginia, Illinois, Texas, Pennsylvania, Alabama, Michigan and Colorado.

Married for 28 years, Sowmya effectively juggles business responsibilities along with family commitments. Sowmya has 3 children; two sons aged 24 and 23, and a daughter aged 18. She lives in Edison, NJ, and is enjoying the balance between work and life as an empty nester.

In her 'spare' time, Sowmya enjoys crafting and painting. She is also an avid reader and loves to travel.
